

What can YOU do to help?

Sign up to get our email blasts so we can keep you informed.

Get your like-minded friends and family members to sign up – or forward our emails to them.

Register to participate in lobby days, hearings and other events at the Capitol so you can visit your representatives and share your story about the need to prevent gun violence.

Email your representatives regularly and share your feelings about gun violence. Make sure they know you are a constituent. Ask them to influence other law makers to vote for common sense gun violence prevention laws.

Using the information and data from this training and at www.protectmn.org, write letters to the editor and op eds for your local and regional media outlets. We'll help if you want us to!

Arrange for a Protect Minnesota presentation at your faith organization or other group, or host a house party for Protect Minnesota so we can expand our base.

Become a Protect Minnesota volunteer leader.

Words Matter! We MUST be *disciplined*.

Instead of "gun control" → "gun violence prevention"

Instead of "the NRA" → "the gun lobby"

Instead of "crazy gun guys" → "gun rights extremists"

Instead of "we should get rid of all guns" →
"we should pass common sense laws to keep guns out of dangerous hands."

Instead of "we should overturn the Second Amendment" →
"we should honor the Second Amendment's call for gun ownership to be well-regulated."
