

TARGETING SAFETY: Protecting Minnesotans from Gun Violence

Gun Violence Prevention Video + Audio Contest For All Ages!

Did you know that a gun in your home is 22 percent more likely to injure or kill a family member than to be used in self-defense? As more people purchase guns for personal protection, the risks to all Minnesotans increase.

Submit a 30-second video or audio clip that illustrates the need for gun safety. By participating in this contest, you can help raise awareness about the need to protect the people of Minnesota from gun violence.

1st place: \$500 3rd place: \$200
2nd place: \$300 People's Choice: \$100

JUDGING & PRIZES

All ages are encouraged to participate. Qualifying submissions will be reviewed by a team of independent judges for artistic merit and the power of the message. Prizes will be awarded in two categories: Open and Youth (14 total prizes available).

Winning submissions will be screened at a public event at the University of Minnesota on Friday, April 7. All submissions will be considered for public service announcements (PSA) following the event.
