2018 Candidates for State Legislature Survey

Recipients of an "A" Grade will be awarded Protect Minnesota's Orange Star of Approval.

Dear Candidate for the Minnesota State Legislature,

We invite you to take the brief survey below and return it to us by September 15, 2018. There are only four questions.

Those candidates who answer YES to all four questions will be awarded our Orange Star of Approval for gun violence prevention. Orange Star recipients will be sent the Orange Star logo to use in their campaign materials.

Protect Minnesota Political Action Fund will publish the names of all candidates for state legislature who earn our Orange Star on Facebook and in a press release. You can also return the completed survey but ask that we not publicize your name as an Orange Star recipient by checking the box below.

If you do not return your completed survey by September 15, 2018, do not answer YES to all four questions, or if you send us some other form of communication in lieu of completing the survey, you will not receive the Orange Star.

You can return your completed and signed survey to us via email, at actionfund@protectmn.org, or by mailing it to Protect Minnesota Political Action Fund, 285 Dale St. N, St. Paul, MN 55103. If you have questions, call Nancy Nord Bence, Executive Director, at 763-639-5941. Thank you!
