

SEPTEMBER 2018 NEWS & INFORMATION

In this issue:

- October monthly meeting
- Episcopalians volunteers needed
- Westside Rally Against Gun Violence
- Voter Registration volunteers

Episcopalian volunteers needed ASAP

We need volunteers to set up and staff our information table at the ECMN Annual Convention in Mankato, Sept. 14-15. Call Nancy Bence at 763-639-5941 ASAP.

Protect MN's Voter Registration Project

Protect Minnesota has received a large grant to register voters before the November election. We have assembled packets for volunteers who want to help. If you or other members of your faith community are interested, send an email to nancy@protectmn.org. The deadline to register to vote prior to election day is October 16, 2018.

Next IAGS meeting October 2

Congregations and organizations with active gun violence prevention groups and people of faith interested in starting one are welcome to attend this monthly planning and training meeting led by Rev. Nancy Nord Bence, Protect MN's Executive Director. Come learn how much more we can accomplish working together! Takes place on the first Tuesday at a different faith community every month.

The next meeting will be on Tuesday, October 2, from 7-8:15pm at Unity Church-Unitarian in St. Paul. Please use the entrance at 732 Holly Avenue, St. Paul, MN 55104. If you plan to attend, please go to protectmn.org and click on EVENTS to RSVP.

Please help promote the Westside Rally Against Gun Violence

Protect Minnesota's Westside Rally Against Gun Violence on Saturday, October 6 at The Commons Park in Excelsior will be the biggest MN gun violence prevention gathering this fall. It will feature former gubernatorial candidate and gun violence prevention champion Erin Murphy, African American community leader Rev. Don Samuels, student leaders representing Students Protect Minnesota and Students Demand Action, and other powerful speakers. There will also be live bands, voter registration, organization and candidate booths, and food trucks. The goal is to honor the students who have led the movement since Parkland and inspire everyone to keep the winds of change blowing for gun reform. Find out more and register to volunteer at protectmn.org. Students and volunteers who register will get a free "Minnesotan Against Getting Shot" t-shirt.
