

## Protect Minnesota and the Protect Minnesota Political Action Fund congratulate our Orange Star Candidates who won on November 6, 2018!

Of 59 Orange Star candidates, 52 were elected! This is proof that candidates who put gun violence prevention at the center of their campaigns WIN in Minnesota! Gun rights groups will no longer be able to bully suburban Republicans into blocking sensible gun laws supported by the majority of their constituents. We are honored to have been able to help elect or re-elect these leaders and look forward to working with them to pass sensible gun laws in 2019.

Kudos to our national coalition partners, Brady Campaign, Giffords, and Everytown for Gun Safety, for all their hard work on these campaigns. We will stand together at the Capitol as we have stood together throughout this election to make gun reform a reality in Minnesota!
