

Fwd: We need a strong Minnesota DFL

Bob,

Every Minnesotan deserves access to quality, affordable health care, a world-class education, and a state where everyone has the opportunity to succeed – no matter where they live, what they look like, or how much money is in their bank account.

These are the values our DFL candidates ran and won on in 2018, and our new DFL House Majority is working hard to deliver. This legislative session, in one of the only divided governments in the country, we secured critical health care funding for 1.2 million Minnesotans, made meaningful investments in our schools, and passed the strongest wage theft law in the nation.

We took significant steps, but there's so much more we can do to improve the lives of all Minnesotans. Here are just some of the bills our House DFL Majority passed this year only to be blocked by the Republican Majority in the Senate:

- Common-sense background check and “red flag” gun safety laws
- The Equal Rights Amendment to guarantee gender equality for all Minnesotans
- Paid Family Leave for all Minnesota workers
- The Driver's Licenses for All bill to improve public safety, grow our economy, and ensure our immigrant communities are treated with dignity and respect

The DFL was instrumental in helping us take back the House in 2018. Now, as they build the largest organizing program in our Party's history to take back the Minnesota Senate and help us hold the House, I wanted to reach out to emphasize how important it is that we make sure they're successful. [We need a strong DFL Party to defend and build on our progress. Will you make a contribution today to support this important work?](#)

Thank you,
Melissa Hortman
Speaker of the House
